If you live in Portland, Craft3 can help finance the construction of your detached or attached Accessory Dwelling Unit—also known as a mother-in-law or backyard cottage. Our ADU Loan is built from the ground up to be convenient, affordable and more-accessible than home equity and construction loans.

Don’t live in Portland? In the coming months, we hope to expand our ADU Loan to other areas. Visit our website to learn how to stay in the loop about our activities.

Craft3 is a non-bank community lender that’s delivered capital throughout Oregon and Washington since 1994. We lend to established nonprofits and growing and start-up businesses—including those that don’t qualify for traditional loans. We also help homeowners of all income levels finance energy upgrades and ADU construction, and replace failing septic systems and aging manufactured homes.
