REPLACING YOUR SEPTIC SYSTEM IS EASY

1. Apply online at www.Craft3.org/CleanWater. Receive pre-approval in as soon as three business days.
2. Work with your contractor¹ to design your system, receive permits and finalize project cost.
3. Sign your loan documents electronically.²
4. Begin your project! Make sure work is completed to your satisfaction.
5. Authorize final payment to your contractor once your project gets final approval from local officials.
6. Loan payments, if required, will be automatically withdrawn from your bank account.

¹ Your contractor must be approved by your area's health jurisdiction to conduct septic system replacement work. Contact them for a list of approved contractors.

² By request, document signing is also available via postal mail or in-person.

CONCERNED ABOUT HOW TO PAY FOR YOUR SEPTIC SYSTEM?

For more than ten years, Craft3 has been financing replacement of failing septic systems for families in the Northwest with our unique Clean Water Loan.

It's not a traditional loan, just like we're not a traditional financial institution. It's a loan built from the ground up to work for your unique situation. In some cases, you can even finance connection to a nearby municipal sewer system.

The Clean Water Loan is currently offered throughout Oregon and in many Washington counties. Visit our website to find out if your area is eligible.

Over one thousand families have trusted the Craft3 Clean Water Loan to meet their needs. Give us a call and see how we can help yours.
