A LOAN DESIGNED TO MEET YOUR NEEDS

ELIGIBILITY
If you live in Washington, you’re eligible to borrow up to the full cost of your septic repair or replacement. In addition, one or more of the following must apply:

» Your septic system is at least 25 years old
» Your system is failing
» You’ve been contacted by local health officials
» You are under orders to fix your system

DETAILS
» No upfront costs required
» Covers all eligible design, permitting and installation costs
» Competitive interest rates with lower rates for lower-income borrowers
» Deferred payment options may be available for lower-income borrowers
» Includes a $2,000 reserve to fund ongoing maintenance

Craft3 is a non-bank nonprofit community lender. We help homeowners across Oregon and Washington finance energy upgrades, replace failing septic systems, build Accessory Dwelling Units (ADUs) and replace aging manufactured homes. We also lend to established nonprofits and growing and start-up businesses – including many that don’t qualify for traditional loans.

Craft3 Clean Water Loans are offered thanks to the support of many public and private funders and organizations, including the U.S. Environmental Protection Agency, and the State of Washington.
